PERSONNEL COMMITTEE REPORT:

Mr. Steven Howsare, SAP&DC Executive Director, explained that SAP&DC had received 15 resumes in response to the ad for the Director of Finance position. Following a review of the resumes received, five candidates were selected to interview with SAP&DC senior staff. After the initial interview of the top five candidates, senior staff unanimously agreed on the three top candidates to be presented to the Personnel Committee for a final interview.

Commissioner Erb stated that the decision was made difficult because all three candidates were qualified and interviewed well. However, the Personnel Committee members unanimously agreed and selected Mr. Daniel S. Bowers as the candidate to be offered the position. The Personnel Committee is now requesting Board of Directors concurrence of this decision.

ENGAGE SUB-AGREEMENTS:
Mrs. Deborah Prosser, Director, Business Development Services, reported that SAP&DC submitted a grant application to DCED and was awarded $200,000 to undertake the Engage Business Outreach program for its six-county region. As part of this grant, SAP&DC will subcontract with 11 agencies in the region to conduct
251 face-to-face calls and to manage the aftercare activity. The calls will be conducted by a team of approved callers and those professionals selected are the only approved callers.

Commissioner Thomas inquired about whether this type of calling program had been tried before. Mrs. Prosser explained that, yes, it had been, but that at that time several of the agencies involved were not being proactive with the program and were also utilizing interns and other unauthorized staff to make the calls. Under the Engage Program only the individuals identified will be permitted to make calls and the agreements are performance based.

Mrs. Prosser explained that the sub-agreements included a set fee of $144.84 per call and $434.52 per company for after care coordination. She then requested SAP&DC Board approval of the sub-agreements, as presented.

As in the past, the program will advance the priorities identified in the Southern Alleghenies Regional Greenways and Open Space Network Plan as well as the Southern Alleghenies Bicycle and Pedestrian Plan. SAP&DC plans to request $200,000 from DCNR for this round and hopes to award funding to a minimum of six projects in the region. Mr. Howsare explained that due to some changes in ratings on SAP&DC’s Workers’ Comp insurance the current provider, Eastern Alliance, had stated that they may not continue to provide workers’ comp insurance to SAP&DC at renewal. Therefore, SAP&DC, completed an application process with PComp for workers’ comp coverage. Eastern Alliance eventually decided to agree to continue providing workers comp coverage to SAP&DC with the additional rating at an annual price of $9,160. The annual cost for workers’ comp coverage with PComp is $6,103. This represents a savings of over $3,000 to SAP&DC. Therefore, SAP&DC is seeking authorization to switch its workers’ comp coverage to PComp, effective March 27, 2018.

Therefore, approval to purchase the equipment, as presented, is requested.

A motion was entered by Mrs. Clapper to approve the replacement computer equipment, as presented. The motion was seconded by Commissioner Walker and was unanimously approved.

Mr. Howsare further explained that due to the changes in SAP&DC’s Board of Directors officers and the addition of Mr. Daniel Bowers as SAP&DC’s Director of Finance, a resolution authorizing the following signers: Mr. Steven Howsare, Commissioner Mark Wissinger, Commissioner Bruce Erb, Commissioner Gerald Walker, Mr. Arthur Wilkin and Mr. Daniel Bowers is required.
