

Transportation Specialist. Southern Alleghenies Planning & Development Commission (SAP&DC), a regional economic development agency, based in Altoona, PA, seeks candidates for the position of Transportation Specialist. Organized, driven professional with BA/BS in planning, geography, GIS, engineering, public administration, or related discipline. Transportation planning activities to include providing support to local and state planners, GIS development and management, and conducting outreach and marketing for local government training activities. The position will require the ability to learn and function effectively in a variety of project areas, including transportation planning and community and economic development. Must possess excellent computer and both written and oral communication skills.

Starting salary of \$35,000/year with excellent fringe package. Reply with resume and three professional references to: SAP&DC, Attn: Debbie Shaffer, 3 Sheraton Drive, Altoona, PA 16601 or via email at dshaffer@sapdc.org no later than 4:00 PM on Friday, February 1, 2019. Replies kept in strictest confidence. EOE.

TITLE: Transportation Specialist
DEPARTMENT: Planning & Community Development (P&CD) Division
FLSA STATUS: Full Time Non-Exempt
CLASS: P-1

JOB RELATED BEHAVIORAL COMPETENCIES:

A “Competency Library” (document) serves as a source of definitions and as a guide for competencies necessary for successful job functioning in the position of Transportation Specialist. Cooperatively with the Director, Planning & Community Development, pertinent competencies-specific behavioral indicators are then selected for the position of Transportation Specialist. These will serve, in part, as the basis for performance evaluation.

OVERALL PURPOSE OF JOB:

This position is responsible for providing support to the Commission’s transportation initiatives and offering GIS services and support to the Commission as well as the region’s local governments and non-profit organizations. This position is also responsible for assisting with the implementation of the PennDOT Local Technical Assistance Program (LTAP).

ESSENTIAL FUNCTIONS OF JOB: (other duties may be assigned)

1. Assists with SAP&DC Transportation Plans and Programs.

PERFORMANCE MEASURES

- Provides planning and technical assistance to support activities related to the implementation of the Unified Planning Work Program (UPWP) and Supplemental Planning activities.
- Provides GIS and mapping assistance as needed to support transportation-related GIS analysis, mapping, product production, and related planning activities.
- Implements PennDOT Connects process by providing municipal planning assistance and participating in collaboration meetings with PennDOT district personnel, municipalities, and other stakeholders to identify and communicate transportation needs pertaining to the Southern Alleghenies Rural Planning Organization (RPO) transportation plans.
- Coordinates efforts to implement the Coordinated Transit-Human Service Transportation Plan.
- Performs field data collection using vehicular tube traffic counter, infrared trail counters, and other data collection methods to support Southern Alleghenies RPO transportation plans and programs.
- Attends related training and professional development activities and workshops.

2. Implements the Local Technical Assistance Program (LTAP) as a Component of the Unified Planning Work Program Under Contract with PennDOT.

PERFORMANCE MEASURES

- Conducts outreach and marketing to include writing press releases and newsletter articles, placing strategic phone calls, and developing and distributing information to the regions local governments via e-mail and hardcopy.
- Presents information at municipal events and meetings in an effort to promote the services offered through LTAP.
- Coordinates with the Pennsylvania State Association of Township Supervisors (PSATS), PennDOT, Blair County Planning Commission, and other planning entities to schedule courses and reserve meeting facilities.
- Conducts regular surveys of the region's municipalities to determine interest in course offerings and locations.
- Ensures that proper course cancellation procedures are implemented in the event of inclement weather or low course registration.
- Attends all scheduled training courses, technical assistance events, and other LTAP related meetings as requested.
- Prepares and submits all required reports accurately and on time.

3. Coordinates SAP&DC GIS Programs.

PERFORMANCE MEASURES

- Implements the operation and maintenance of the Commission's GIS system to support GIS analysis, mapping, product production, and related planning activities to support Commission activities and outside local government and non-profit organizations.
- Creates and maintains GIS datasets and manages geodatabases and contributes content to SAP&DC's ArcGIS Online website as needed.
- Provides professional and technical GIS assistance to local governments and non-profits, including map creation, large format printing, and data requests.
- Ensures that all assistance is consistently and accurately logged in the GIS requests tracking database.
- Coordinates GIS services and ensures the maintenance of the GIS request database.
- Coordinates the Commission's GIS software account and support requests, ensuring that all software and maintenance plans are current.
- Attends related training and professional development activities and workshops.

4. Participates in Committee Activities.

PERFORMANCE MEASURES

- Conducts quarterly meetings of the Coordinated Transit Program (CTP) Committee.
- Participates in all Rural Transportation Technical Committee (RTTC) and Rural Transportation Coordinating Committee (RTCC) meetings.

5. Meets Attendance Requirements.

PERFORMANCE MEASURES

- Consistently reports to work as scheduled or uses appropriate call-in procedures for obtaining approval for time off.
- Consistently reports to work, meetings, and other business appointments on time and prepared.
- Achieves a healthy balance between work and personal life.

OTHER DUTIES OF JOB:

1. Represents the Commission at various functions as requested.
2. Presents information to the SAP&DC Board of Directors and other groups, as requested.
3. Participates in professional associations as required.

SUPERVISION RECEIVED:

Supervision is typically received from the Transportation Program Manager.
